A MESSAGE FROM OUR GOVERNOR

TO THE MEMBERS OF AAF DISTRICT TWO

Thank you for electing me your governor. My term officially started on July 1st, and I really appreciate the vote of confidence and will work hard to continue the growth started by our past governors.

During my term, I want to help each of our clubs and the district grow in terms of funding, membership, and American Advertising Awards entries.

Myself and the D2 officers are ready to assist any club — all you need to do is ask. We will be talking to each club on a regular basis to aid in providing that support and help to identify any areas of need. Also, we will be communicating to the club presidents, vice presidents, and executive directors via monthly conference calls to keep the lines of communication open.

As your representative to the AAF Council of Governors and the National Board of Directors, I will work hard to represent your views on the issues at hand. I am a strong supporter of the AAF, but I know what makes it great is you locally. Please feel free to share with me your thoughts, opinions, and suggestions on how we can improve locally, on the district, and at the national level.

I look forward to a great year and one we can call successful because it was built around the local clubs.

Sincerely,

Doreen DeFabio Duska

*Governor
AAF District Two*
